**PETITION FOR ACCEPTANCE OF LATE PAYMENT OF
BALANCE DUE FOR MAINTENANCE FEE UNDER 37 C.F.R. §1.28(c)**

2612 NOV -5 PM 3:31

The third maintenance fee for the above-referenced patent were erroneously paid as a small entity. Assignee respectfully requests that the U.S. Patent and Trademark Office accept late payment of the balance due for the third maintenance fee. The circumstances for the error are as follows:

1. The application for the above patent was filed on May 15, 1998 claiming small entity status;
2. All fees paid during the prosecution of the application through issuance and the first and second maintenance fees were correctly paid at the small entity rate.
3. The above-referenced patent was assigned to a large entity company on March 31, 2010.

4. This information and consequently the error in the entity status were just recently realized by Assignee's attorneys in the United Kingdom and communicated to the undersigned.
5. A large entity statement has now been filed with the U.S. Patent and Trademark Office.

In view of the above, there is a deficiency owed for payment of the third maintenance fee. The following is an itemization of the fee paid at the small entity rate, the current fee due at the large entity rate and the balance owed for the deficiency:

	Date Paid	Fee Paid at Small Entity Rate	Current Fee At Large Entity Rate	Balance Owed
Third Maintenance Fee	04/16/12	\$2,365 (plus \$75.00 late fee)	4,810	\$2,445
BALANCE DUE:				\$2,445

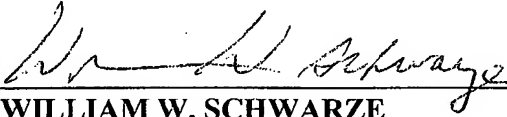

It is submitted that the error of paying the third maintenance fee as a small entity was erroneous and inadvertent, and it is respectfully requested that the late payment of the balance due of \$2,445.00 be accepted.

Please charge deposit account 50-1017 in the amount of \$2,445.00 (Billing No. 688167.0004). Please charge any deficiency in payment or credit any overpayment to our Deposit Account 50-1017.

2012 NOV -5 PM 3:31

Please also charge deposit account 50-1017 in the amount of \$130.00 to cover the petition fee under 37 C.F.R. §1.17(i). The Commissioner is hereby authorized to charge any deficiencies or credit any overpayments to our Deposit Account 50-1017.

Respectfully submitted,
